Date and Time desired for Tour

Your completed form will be sent back to you with the confirmed day, date, and time in the lower right corner.

What activities would you like? Please check all that apply:

- Self guided tour of the Marine Lab:** Detailed interpretive signs near each of our seven aquaria and touch tanks will introduce you to the animals that live at the Marine Lab as you explore at your own pace. \$1 per participant.
- Guided tour of the Marine Lab:** Naturalist will guide your group through our seven aquaria and touch tanks and answer all your questions. The tour can be tailored to meet your curriculum requirements or area of interest. Depends on the Naturalist's availability. 30-45 minutes. \$2 per participant, \$15 minimum.
- Slide show:** Presentation/power point on your choice of several topics ranging from whales to tidepools. 15-30 minutes. The presentation can be tailored to meet your curriculum or area of interest. \$20 flat fee per group.
- Microscope activity:** Discover our smallest invertebrates through the lens of a microscope. Live animals your group can observe include sea stars, anemones, barnacles, amphipods and more. 30-45 minutes. \$2 per participant, \$20 minimum.
- Tide pooling:** Explore the tidepools near the Marine Lab with Naturalist. Depends on the tide cycle and may not be available on your desired date. 60-90 minutes. \$3 per participant, \$20 minimum charge.

Tell us about your group:

Number of children Please note that groups larger than 20 must be split up into smaller groups. Grade Level

Number of adults Will you need a receipt? Yes No

Anything else we should know?

Thank you for submitting your request, and we look forward to scheduling a tour for you soon.
